EDUCATION

Indian Institute of Information Technology Bhagalpur   **August 2022 - Present**
Bachelor of Technology in Electronics and Communication Engineering   *Bhagalpur, Bihar, India*

GPA: 7.72 (Expected Graduation: August 2026)
Relevant Coursework: DSA, OOPS, DBMS, OS, AI/ML, Computer Networks, Software Engineering, Web Development

EXPERIENCE

GSSOC'24   **May 2024 – August 2024**
Open Source Software Contributor   *GitHub*
- Contributed to open-source projects, demonstrating collaborative software development skills and proficiency in Git.

Myntra HackerRamp: WeForShe   **May 2024**
Ideation Round Participant   *Myntra*
- Qualified for the ideation round out of 30,000+ teams, showcasing innovative problem-solving and technical expertise.

PyC Coding Club, IIIT Bhagalpur   **August 2022 - Present**
Lead   *IIIT Bhagalpur*
- Led the PyC Coding Club, increasing active members by 25% and improving student coding competition scores by 15%.
- Organized workshops, hackathons, and coding competitions focusing on C++, JavaScript, and Python, fostering a collaborative learning environment.

PROJECTS

Portfolio (**Source code**) | HTML, CSS, JavaScript, GSAP, ScrollTrigger, React.js
- Developed a professional portfolio website using HTML, CSS, JavaScript, GSAP, ScrollTrigger, and React.js to showcase technical skills and projects.

Image Gallery (**Source code**) | HTML , CSS , Git, VS Code
- Developed a responsive image gallery using HTML, CSS, and grid layouts, demonstrating proficiency in web development.

OPCODE Technical Fest, IIIT Bhagalpur 🔗   **—Project Manager, Code-a-licious**
- Managed the "Code-a-licious" project, delivering daily C++ challenges and fostering a collaborative learning environment, enhancing participants' problem-solving skills.

TECHNICAL SKILLS

Programming Languages: C++, JavaScript, Python, HTML, CSS
Frameworks and Libraries: React.js, Node.js, React Native, Tailwind CSS, GSAP, ScrollTrigger, Git
Databases: MySQL, PostgreSQL, MongoDB
Design Tools: Figma, Adobe Illustrator, Adobe Photoshop

ACHIEVEMENTS / EXTRACURRICULAR

* **Codeforces:** Achieved a maximum rating of 1234 (pupil), showcasing proficiency in CP. **@somya_16.**
* **CodeChef:** Acquired a maximum rating of 1621 (3 Star), demonstrating strong problem-solving skills and consistent performance in a competitive coding environment. **@somya_g.**
* **PyC Coding Club Contest:** Ranked 9 in the "tmle-busters-24092023" contest, demonstrating strong C++ skills in a competitive environment.
* **Programming Proficiency:** Solved over 550+ problems on platforms like **Codeforces Leetcode CodeChef GFG HackerRank**
* **Smart India Hackathon:** Led a team to victory in an internal hackathon, demonstrating teamwork, problem-solving, and technical skills.
